

Let the osprey guide your way

# NGANK YIRA BIDI

Uncover Bickley Battery — 10 km one way, approximately 3–4 hours

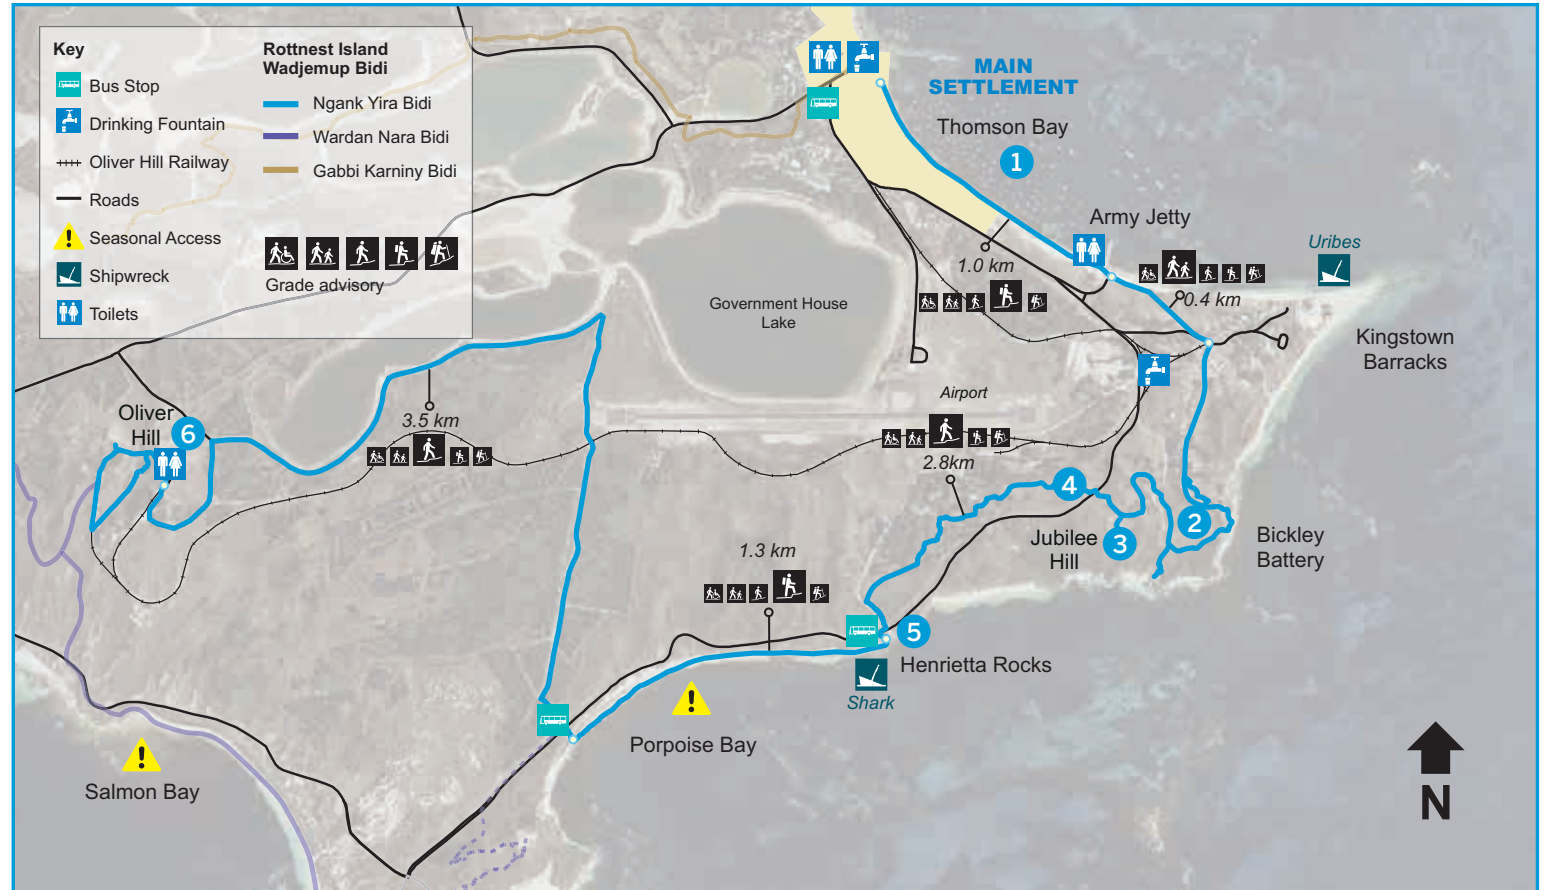

- 1 **Thomson Bay** — Leave the bustle of the Settlement behind and walk along the beach towards Kingstown Barracks. Discover the rocky intertidal shores on your journey.
- 2 **Bickley Battery** — Explore the remnants of the WWII Bickley Battery where, during the war, two 6 inch guns protected the south passage to Fremantle from enemy ships.
- 3 **Jubilee Observation Post** — Walk to the highest point of the Bickley Bay area and enjoy 360 degrees view of the island and surrounding waters. Marvel at the complexity of the military installations on the island.
- 4 **Beachcomber** — Discover the first sculpture installation on the island, made from 80% recycled material. The Osprey “Beachcomber” will have you thinking about your impact on this paradise during your visit.
- 5 **Henrietta Rocks** — Wadjemup / Rottnest Island reefs have proven treacherous for many mariners. Uncover the secrets of the Shark shipwreck below the water’s surface.
- 6 **Oliver Hill** — Explore Oliver Hill Battery, including tunnel structures supporting two 9.2 inch guns and railway lines. You can take a guided tour of the site or catch the Captain Hussey train back to the settlement or continue on the Wardan Nara Bidi to the coast and Wadjemup Lighthouse.

**Explore. Conserve. Discover.**

Wadjemup / Rottnest Island is a walker’s paradise with many coastal headlands, inland lakes and both natural and man-made attractions to explore. Your safety in natural environments is our concern, but your responsibility. Please stick to the designated walk trails to stay safe.

**Leave no trace.**

Please help us to reduce our ecological footprint, be considerate of the environment.

Be prepared

The Rottnest Foundation is a not-for-profit volunteer organisation raising funding for Rottnest Island projects. To support projects like the Wadjemup Bidi please visit [www.rottnestfoundation.org.au](http://www.rottnestfoundation.org.au)
